CELEBRATE WITH US THROUGHOUT 2025

The Ruabon to Barmouth line operated for nearly 100 years, serving rural communities and the towns of Llangollen, Corwen, Bala, Dolgellau. However, the line was slated for closure as part of the infamous 'Beeching Report' and closed to passenger services in January 1965. Track lifting commenced in 1968 and the whole line had been swept away the following year.

Fortunately, the 10 mile section between Llangollen and Corwen became the focus of enthusiasts wishing to reopen part of the line as a heritage railway. In September 1975, the first open day at Llangollen Station took place on 13th September 1975. Over the ensuing years, the line was extended in stages westwards to Berwyn, Deeside Halt, Glyndyfrdwy and Carrog before reaching the new station in Corwen in 2023.

The amazing volunteers involved were the start of what we have today... Llangollen & Corwen Railway, hand built by volunteers since 1975!

Throughout 2025 we are holding various events to mark this momentous occasion and celebrate Railway 200, the 200th Anniversary of the modern railway. Some events are listed here, including our 50th Anniversary Celebrations in September. Additional events will be added to the calendar throughout the year so keep checking our website and social media for more details.

JOIN US AS A MEMBER OR VOLUNTEER

As a charitable organisation, the Trust has around 1000 members, of whom approximately 300 actively assist in the running of the railway and on whom the Trust is very dependent. By joining as a member you will be helping to support the ongoing restoration of our equipment, artefacts and numerous heritage buildings and structures throughout our 10 mile location. You will also get to vote at the AGM, receive quarterly online copies of Dee Valley Mail, and get 25% off travel (Terms & Conditions apply).

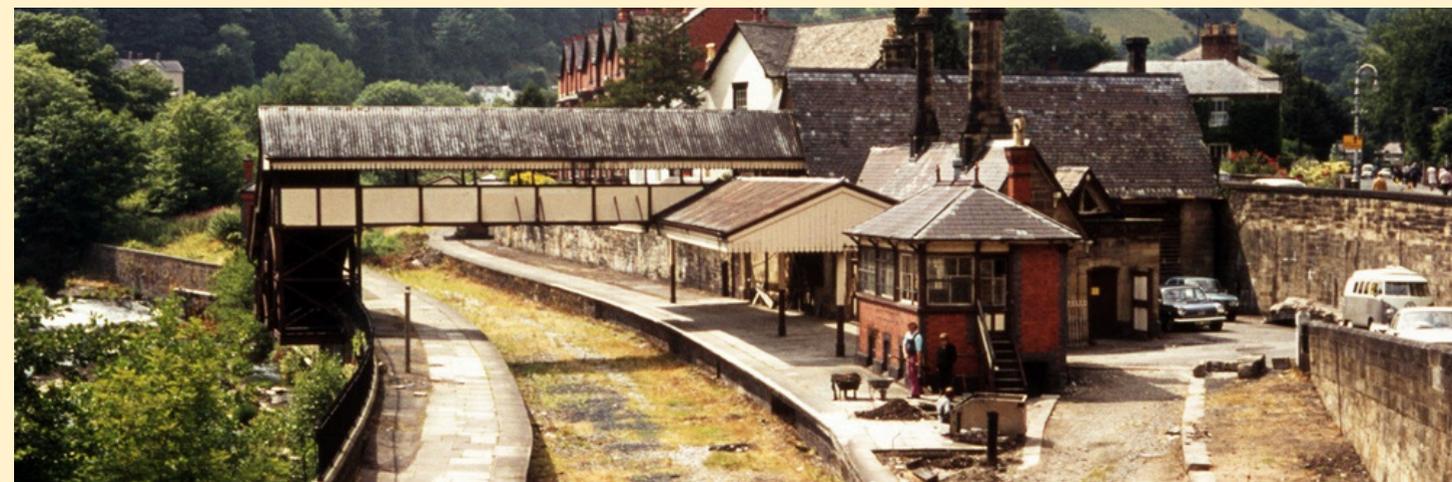

If you would like to apply to become an active volunteer at Llangollen Railway, you will have an induction and comprehensive training with the department you join. You will be issued with an identity card that will entitle you to concessionary travel (Terms & Conditions apply). We understand commitment can vary and you can volunteer as little or as often as you like.

MAKE A DONATION TO OUR CAMPAIGN

Llangollen Railway is a treasured heritage asset of historic national significance. But we need help to ensure its survival for the next 50 years. Although we raise essential revenue from ticket sales and other visitor income, the sad reality is that keeping a heritage railway running in 2025 is becoming ever harder, for example, coal costs have tripled since 2020.

Aside from our running costs, we have a long list of bold and ambitious projects we need to tackle. This includes enhancing our visitor experience, upgrading our infrastructure, lowering our carbon footprint and building education programmes to inspire our visitors as well as pass essential skills on to younger generations.

Scan here to support the Llangollen & Corwen Railway Trust's mission. Any support is appreciated.
